Krishal Modi

FULL-STACK (DJANGO)

krishalrmodi@gmail.com | 9428681321 | LinkedIn | Portfolio | Github

Objective

Full-Stack Developer with Django expertise, passionate about AI and Machine Learning. Eager to create user-centric, AI-driven solutions to enhance product quality and drive growth in innovative web development.

Education

Silver Oak University
(B-Tech Computer Engineering)   **CGPA: 9.51**

Skills and Abilities

- HTML, CSS, JS
- Python (Django)
- AI / ML
- Git / Github
- Java

- Nodejs (Express)
- Time Management
- Decision Making
- Analytical Thinking
- Collaborative Mindset

Experience

Exposys Data Labs (Internship)   **Remote**

Web Development   June/2023 – July/2023

Awards and Honors

- **Aavishkar (2024):** 3rd position at Project Fair organized by University. View
- **Mesohack:** Participant in hackathon organized by Devfolio. View
- **Exposys Data labs:** Completed task-based internship. View

Projects

Attendance Management System: Github

- Developed an attendance management system using HTML, CSS, JS, Django and SQLite database. Implemented for tracking and managing student attendance efficiently.

Advanced Surveillance System: Github

- Collaborated work on the Advanced Surveillance System, a smart CCTV project, contribution to the frontend and some aspects of Django development.

Heart Disease Prediction: Github

- Developed a heart disease prediction project utilizing machine learning algorithms. Implemented data preprocessing, feature selection, and model training to accurately predict heart disease.
